We are delighted to share the news that we are planning a six week block of PEEP sessions for children aged 0 – 5 years within our family room at Garnock Community Campus.

Peep is a strengths based approach to working with families, where daily routines and experiences with a strong home link that promote your child's learning and development are shared through conversations, interactions and fun for all! Miss Gillian Aird and Mrs Rosemary Lindsay will run these groups, which will take place twice weekly to help accommodate with the busy lives of parents/carers in our EY and community.

PEEP will take place every Thursday from 6<sup>th</sup> October, morning sessions at 10am for ages 3-5 and afternoon session 2pm, for under 3's.
