P7 Primary Transition Information

Welcome to the Maths Departments Virtual Primary Transition.

We have endeavoured to squeeze all the information about our P7 transition and answer all the questions the pupils normally ask during their 3 day visit, into an 8 minute 56 second video.

The video also highlights where on our school website to find tasks and quizzes we have made up for the P7's to work through, as well as the S1 order of topics.

For the Maths Department Transition Video, please click on the link below.

We look forward to working in partnership next session to achieve great success for our young people.

Enjoy Maths.

Sincerely

The Maths Department G.C.C.
