Dear Parent/Guardian

REMINDER ABOUT LFD TESTING

We are seeing an increase in COVID-19 cases among young people who attend your child's school. We would like to remind you how important it is for your child to do their LFD test twice a week, and to upload their results. This can help to prevent cases who do not have symptoms coming to school while infectious.

Please can you help to ensure that your child does regular LFD testing?

Yours sincerely

A handwritten signature in black ink, appearing to read 'H. Henderson'.

Hazel Henderson
Consultant in Public Health

Results (whether positive or negative) should be uploaded via the following website address or through using the QR code below:
